

IGNITED IN CHRIST WARRIOR SCHOOL – 2019

(Correspondence basis only)

Ignited in Christ heard the call of our Lord Jesus Christ to start a **Warrior School** that has already taken off (for the first time) in 2016.

1. AIM AND PURPOSE

The aim and purpose of the Warrior School is the following:

- To teach believers in Jesus Christ about the spiritual realm and the strategies of the enemy that keep the Bride of Jesus Christ in bondage;
- To help you to receive personal inner healing and deliverance; and
- To train you as an active warrior of Jesus Christ, able to assist fellow believers to be healed and to be set free from bondage of the enemy.

2. CORRESPONDENCE BASIS ONLY

The Warrior School will, from 2019 onward, be available on a correspondence basis only. It will work on the basis that the Warriors for Jesus have to work through all the relevant teachings self-study by ordering all the relevant modules on DVD from us. Course material supporting the DVD's will be mailed to you.

Scheduled practical training days (8 in total during the year) will then only focus (in a group context) on demonstrating most of the concepts taught on DVD practically.

We aim to share with you what Jesus has taught us (through His Holy Spirit) over the years that we have been ministering to believers.

You may do the Warrior School at your own pace but we suggest that you do set a time frame for yourself since one needs to be disciplined and dedicated to complete the course.

3. PREREQUISITES TO ATTENDANCE OF THE PRACTICAL WARRIOR SCHOOL SESSIONS

- 3.1** All believers in Jesus Christ who want to attend the practical warrior school sessions must have watched all the relevant DVD's, studied the relevant course material and prayed the accompanying renunciation prayers.

These teachings may be acquired from us on DVD by e-mailing Zelda at info@ignitedinchrist.org. The course material may be obtained from us by way of e-mail.

3.2. Testing prior to practical sessions

All warriors who want to attend the practical warrior school sessions will have to subject themselves to a theoretical test first.

On the morning of each practical session, the warriors will first write a test covering the information in the Warrior School modules. Only once they have passed the test, will they be allowed to stay for the practical day.

4. PRACTICAL WARRIOR SCHOOL DATES

Believers in Jesus Christ who have completed the teachings mentioned above may book for any or all of the following practical warrior school dates by sending Zelda an e-mail to info@ignitedinchrist.org:

Saturday 16 February 2019

Saturday 9 March 2019

Saturday 18 May 2019

Saturday 8 June 2019

Saturday 3 August 2019

Saturday 31 August 2019

Saturday 26 October 2019

Saturday 23 November 2019

(Each practical session will be from 8h00 to 18h00 at a venue in Pretoria.)

NB: We have limited space for the practical sessions (maximum 20 warriors at a time) so book your seat for any of the above mentioned practical sessions early to avoid disappointment. Any warrior who has already successfully completed the warrior school, may book any number of practical sessions for the year.

5. THE COST

The practical training sessions will be at no additional cost to the warrior, although voluntary donations will be accepted.

6. WHERE

The Practical Warrior School Sessions will take place at a venue in the Pretoria region that will be announced only to those that have booked, closer to the time.

7. DISTANCE WARRIORS MAY INVITE US TO THEIR REGION

Warriors of Jesus who have successfully completed the course on DVD may also invite us to their region (e.g. the Northern Cape or Kwazulu Natal) for e.g. a weekend to come and help them to practice practically what they have learned. We suggest that you get a group of at least 10 to 20 people (who have all successfully done the course) together for the practical.

Ignited in Christ will visit your area at no cost/fee but any voluntary offering will be appreciated.

8. COST OF WARRIOR SCHOOL DVD'S

The cost of the Warrior School is R200 per training module (written course material included). There are 10 modules and therefore the whole course will cost R2 000. No registration fee is required.

If we need to send you the DVD's by post or courier, the postage or courier fees will be added to the price.

If you are interested in the Warrior School of Ignited in Christ, send Zelda an e-mail to info@ignitedinchrist.org and she will then make arrangements with you.

We are very excited to see what our Lord Jesus Christ will do in the year ahead! We hope and trust that you are too and that you will allow the Lord to raise you up as a mighty Warrior of Jesus Christ!
