

DEMONIC SOUL COPIES – LEVEL 3

“PRISONERS OF WAR”

DEMONIC SOUL COPIES (OF LIVING PEOPLE) HELD CAPTIVE BY SATAN IN SPIRITUAL PLACES UNDER HIS REIGN

NB: In order to have a proper understanding of this teaching, you should first study our teachings on Demonic Soul Copies (DSC's) Levels 1 and 2 that are available for free on our webpage (www.ignitedinchrist.org). Without this prior knowledge and understanding of the concept of DSC's, you may find it difficult (if not impossible) to grasp and understand this teaching.

1. INTRODUCTION

We agree with many believers in Jesus Christ that we are currently living in a time when God is pouring out treasures of wisdom (Colossians 2: 2-3). This current apostolic and prophetic era is bringing us new dimensions of Jesus' light. The Scriptures are being understood with far greater clarity and there is an unprecedented revelation of the power and manifestation of the Kingdom of God.

Our Lord Jesus Christ says in Isaiah 45: 2-3: *“I will go before you and make the crooked places straight: I will break in pieces the gates of bronze and cut the bars of iron. I will give you the treasures of darkness and hidden riches of secret places that you may know that I, the Lord, who called you by your name, am the God of Israel.”*

Jesus said to His disciples just before He ascended to Heaven: *“I still have many things to say to you, but you cannot bear them now.”* (John 16:12). When

Jesus ascended into Heaven, He could not tell His disciples all that He would have liked to share. However, He gave the promise of the Holy Spirit that would come to teach us all things and to help us understand what Jesus said. God reveals truth to those that seek revelation from Him: “... eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love Him.” (1 Cor. 2: 9)

Our Lord Jesus Christ therefore has things in store for us that have not yet been revealed to other generations. He makes us (His Body on earth) grow from glory to glory and from light to light. The teachings that are going out today from God’s true apostles and prophets, would never have been digested by the Body of Christ hundred years ago..... We are however now ready to receive these revelations, since the Holy Spirit has prepared us

Ana Méndez-Ferrell says in her book “*Regions of captivity*”¹: “Jesus released many captives from their spiritual prisons through the Holy Spirit. He did it by seeing and hearing what the Father did, through understanding the spiritual world. The Lord desires to empower us with the fullness of the knowledge of His Kingdom.”

She further says²: “Freedom from captivity was one of the most important parts of Jesus’ suffering and victory through His death and resurrection. Jesus descended to the lowest parts of the earth to take our captivity away from the devil.”

Millions of Christians cannot find their breakthrough when it comes to the areas of health, character, finances and even spiritually. One day they are at their peak, the next day they are in the valley... This is so because Jesus’ victory over captivity is almost an unknown subject in the denominational Church.³

2. HOW WE WERE LED BY THE HOLY SPIRIT TO DISCOVER THIS

2.1 The book “Regions of Captivity”

It (the receiving of this new revelation from the Holy Spirit) started with the book “*Regions of captivity*” of Dr. Ana Méndez-Ferrell. A friend of our ministry gave us this book to read a while ago. We started to read the book but could not finish it at that stage due to the fact that many things that Méndez-Ferrell wrote about, we found just too weird to accept. For one, Ana Méndez-Ferrell says in her book that the souls of people may be held captive in spiritual places under the reign of Satan. Now, how is that possible, if the soul dimension of the person is in his/her body? Secondly, she says that she prophetically enters the spiritual place to rescue that soul. That, to us, was unthinkable since we did not believe that we could enter the spirit realm and actually go to a spiritual

² Page 18

³ Mendez-Ferrell page 51

place (under the reign of Satan)! It sounded really too weird for us to “stomach” at that stage and therefore, being very sober and vigilant (!), we laid the book aside and did not finish reading it.

We were meanwhile praying for new revelation and spiritual keys from God in order to “set the captives free” (i.e. for believers in Jesus Christ to receive inner healing and deliverance).

A while after the book was introduced to our ministry (but temporarily discarded by us in the fear of being deceived) someone that is close to our ministry spoke to us and said that she has actually practiced what Ana Méndez-Ferrell teaches in her book and, with great results! Since this person is someone whose opinion we value and trust as a sister in Jesus Christ, the thought stayed with us.

2.2 Experimenting in ministry (under the guidance of the Holy Spirit)

Soon thereafter, we ministered to someone when the Holy Spirit prompted us to experiment and test whether what Ana Méndez-Ferrell says is the truth. We remember that evening and the particular ministry session very well. When the Holy Spirit prompted us to test whether there was a demonic soul copy of the person (that we were ministering to) in a spiritual place under the reign of Satan, we reluctantly said: *“OK Jesus, but you will have to help and guide us because we really do not know what we are about to do, but we will trust you and follow your leading.”* We prayed the blood of Jesus over the team (for protection) and then proceeded to ask the Lord to take us, through the power of the Holy Spirit, into the spiritual place of captivity where the demonic soul copy (DSC) of this person was held captive.

Low and behold!! There was indeed a DSC of the person we were ministering to in this place of captivity and the Lord helped us to rescue this soul copy and to bring it out of the spiritual place of captivity and into God’s Light! We asked our Lord Jesus to give healing and restoration to the DSC and thereafter asked him to take it away. We were absolutely astounded by the wonder of what had happened!! We then knew (beyond all doubt) that this spiritual concept really exists and that there may therefore be demonic copies of the soul dimensions of living people that are held captive by Satan in spiritual places under his reign.

2.3 Further teaching and guidance by the Holy Spirit

However, the next morning one of our team members (who took the lead in the ministry session) was feeling very ill (nauseous, tired (spiritually, psychologically and physically) and almost depressed). She prayed over it and asked the Lord what was going on and why she felt so terrible. The Lord Jesus Christ, through His Holy Spirit, then revealed to her that it did not please Him that she and her fellow team member entered the spiritual realm (and in particular spiritual places of death and destruction) and that the illness was the effect of the spiritual experience on her body, soul and spirit. She repented for

entering the spiritual realm (without a mandate from Jesus) and asked for forgiveness and that our Lord Jesus would wash her clean with His blood. She, almost immediately, felt better and realised that, although it honoured Jesus that we were obedient in setting the captives free, He did not want us to go into the spiritual places ourselves (without His specific mandate). The Lord, through His Holy Spirit, then clearly gave the direction that it is not necessary for us to enter the spiritual realm and that we could merely ask His holy warring angels to go in and to rescue the captive.

Please note that we did not astral travel. We know that it is against God's will and is empowered by demonic forces. We simply asked Jesus to help us enter the spirit realm to rescue the captive from its prison.

Since then, we have started to test for this spiritual phenomenon in ministry sessions with people and we have found more and more spiritual captives and they were all set free! Thank you Lord Jesus and to You, precious Holy Spirit, for the revelation and this additional spiritual key in order to set the captives free!

3. HEAVENLY AND INFERNAL PLACES

We all know by now that in the spiritual world there are two opposing kingdoms: The Kingdom of Light (under God's reign) and the kingdom of darkness (under the reign of Satan).

Just as there are heavenly places (Ephesians 2:6) there are also places or regions of darkness, which may be called infernal places. Not all of these infernal places are tied to hell, which is the final destiny of the lost.

The kingdom of darkness is formed of thousands and millions of prisons where Satan holds the human race captive. Isaiah 42: 7: *"... to open blind eyes, to bring out prisoners from the prison, those who sit in darkness from the prison house."* Hebrews 2:15: *"... and release those who through fear of death were all their lifetime subject to bondage."*

In Luke 16 verses 19 to 31 we read about the rich man and Lazarus. We read that the rich man (after having died and being buried) found himself in torment in Hades. Hades is the abode of the dead⁴. Perry Stone⁵ says that this rich man was now an eternal prisoner in a land of departed souls. Lazarus, the beggar, on the other hand found himself "in the bosom of Abraham". The "bosom of Abraham" suggests the honoured place in Paradise⁶.

We agree with Méndez-Ferrell when she says⁷ that places of spiritual captivity are strictly spiritual places controlled by the hosts of Satan (i.e. demons).

⁴ According to the commentators to the New King James Version of the Bible (New Spirit Filled Life)

⁶ Comments to the New King James version of the Bible (the New Spirit-Filled life Bible).

⁷ Page 58

Willpower is not enough to free souls from these places. We need God's authority to move against the forces of darkness.

There is a place called *Tartarus* that is the deepest prison of hell (where the fallen angels dwell, according to the Epistle of Jude).

Méndez-Ferrell refers in her book⁸ to the fact that in each region of captivity, there are prisons, pits and turbid currents of muddy waters.

We agree with Méndez-Ferrell where she says⁹ that to think of the spiritual world only in strict terms of Heaven and Hell is a very limited perception. She continues to say that the region of death has two parts, one is the dwelling of the dead, and the second is the place of oppression used to torment the captured souls. According to her, it is from this place that Satan releases sickness, disease and death.

It is said that Hitler found his inspiration during the 2nd World War from the actual spiritual places where his own soul were being held captive and was being tormented by the demons. Hitler's goal was to burn 6 666 000 Jews and Christians¹⁰. This altar was built in Auschwitz, Poland. We agree with Ana Méndez-Ferrell when she says that Adolf Hitler had more in mind than simply killing the Jewish people. If that had been his only objective, he would have bombed the ghettos where he held them prisoner. Why transport all of them to one place? Why feed and hold them captive? Why spend money and energy building camps with bedrooms, gas chambers and crematories, if the only objective was to kill them? The plan was indeed more diabolical. He needed to reproduce the pain of hell with its sound of agony and despair. He wanted to recreate the different levels of prisons and dungeons that existed in Sheol.

4. QUICK RECAP: WHAT IS A DEMONIC SOUL COPY?

A demonic soul copy (DSC) is exactly what the name says.

It is –

- A copy
- Of the complete
- Soul dimension (i.e. personality)
- Of a human being (either still alive or already deceased)
- Made by demonic forces (i.e. by way of witchcraft)
- That is then placed into another living person (or held captive in a spiritual place under the reign of Satan)
- In order to further Satan's Kingdom and purposes in that living person in whom the DSC was placed (e.g. the strengthening of a blood line curse,

⁸ Page 81

⁹ Page 89

¹⁰ Mendez-Ferrell page 92

any particular sin, infirmity etc.) or to further Satan's Kingdom in the person whose soul dimension was copied and is now being held captive in a spiritual place under the reign of Satan.

If we then refer to "captives" in the context of this teaching, we mean "captive DSC's" since the Lord has shown us that it is a copy of the complete soul dimension of the living person that is being held captive by Satan and his demons in a spiritual place under his reign.

It is assumed by us that every reader of this document thoroughly understands the concept of DSC's. If not, it is highly recommended that you stop reading this teaching and first refer to our teachings on Demonic Soul Copies Levels 1 and 2, that are freely available on our website¹¹ under "free publications".

5. NB, NB, NB: WE ARE NOT CALLING UP SPIRITS FROM THE DEAD!!!!

It is extremely important that believers in Jesus Christ should understand and remember that if we work with a DSC, we are not working with a demon (evil spirit) and we are also not working with a human spirit. It is a soul copy that has been created by Satan and his demons through witchcraft. It is therefore the soul dimension (i.e. personality) of a human being that we are working with, but then also not the true or original soul dimension but a mere demonic copy.

We therefore want to say outright and at the beginning of this teaching to anybody who wants to accuse us of calling up spirits, that they do not properly understand the various spiritual concepts relating to DSC's and have therefore allowed the enemy to create confusion and deception in them.

We know and appreciate that our Lord Jesus says in His Word¹² that we may have no association with the dead and that it is an abomination to God if we should consult spirits of deceased people. **This is not what we do.**

We pray that people who are being deceived by the enemy to think that we are calling up human spirits (or even original souls) from the dead, would be pulled out from their confusion and deception by the Holy Spirit so that they also may receive the blessing of this teaching and be set free from captivity, in Jesus Christ our Saviour!

6. BIBLICAL REFERENCES TO CAPTIVES AND PLACES OF SPIRITUAL CAPTIVITY

The first thing that believers in Jesus Christ always ask when being confronted with new revelation is: *"Where is it in the Bible?"* This is the correct approach since we have to be very careful of deception (and false teachings) in our day

¹¹ www.ignitedinchrist.org

¹² Deuteronomy 18: 10 - 12

and age. Jesus Himself said that in the last days there would be widespread deception and that even the very elect would be deceived (Matthew 24:24).

Join us therefore when we seek fresh revelation from the Word of God. We, as reborn believers in Jesus Christ, know that the veil was torn when Jesus died and was resurrected from the dead. We may therefore now seek true spiritual revelation from our Lord Jesus. Only He, through the Holy Spirit, can reveal the true meaning of Scripture to us.

6.1 End time revelation

In Daniel 12:4 our Lord Jesus says (as part of a prophecy of the End Time): *“But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.”*

Our Lord Jesus therefore makes it very clear through His prophet Daniel that during the time of the end, new revelation will come through the Holy Spirit to those who seek it in order for the Bride of Jesus Christ to be prepared for His second coming.

6.2 Captives and spiritual places of captivity

Our Lord Jesus said by way of His prophet in Isaiah 61: 1: *“The Spirit of the Lord God is upon Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives and the opening of the prison to those who are bound.”*

We agree with Méndez-Ferrell where she says¹³ that the captivities and prisons to which this passage refers are not physical, but spiritual. God does not set criminals free who have been sentenced to jail. The Kingdom of God respects order and worldly authority.

David says in Psalm 86 verse 13 that God has delivered his soul from the depths of Sheol. He also says in Psalm 69 verse 15: *“And let not the pit shut its mouth on me.”*

The psalmist says in Psalm 88:6 that God has laid him in the lowest pit and that he is in darkness and in the depths.

In Psalm 102 verses 19 and 20 the psalmist cries out to the Lord and the Lord says that He is looking down from His sanctuary (Heaven) and that he *“hears the groaning of the prisoner(s)”* and that he wants to *“release those appointed to death”*.

In Psalm 107 the psalmist says in verse 10: *“Those who sit in darkness and in the shadow of death, bound in affliction and irons”* and in verse 14: *“He brought them out of darkness and the shadow of death and broke their chains in pieces.”*

¹³ Page 50

Verse 16 states: *“For He has broken the gates of bronze and cut the bars of iron in two.”*

In Psalm 142:7 David says: *“Bring my soul out of prison, that I may praise Your name”. He says further: “For the enemy has persecuted my soul; He has crushed my life to the ground; He has made me dwell in darkness, like those who have long been dead.” (Psalm 143: 3).*

Psalm 146: 7: *“Who executes justice for the oppressed, who gives food to the hungry. The Lord gives freedom to the prisoners.”*

Many people are being oppressed by the enemy in their soul dimensions in various ways (e.g. depression, anxiety, unforgiveness etc.) but this oppression may even have a deeper dimension in that the soul dimensions of people may actually be in captivity to Satan at a level that could not have been contemplated yet when Jesus was on earth and when the books of the Bible were written.

The prophet Jeremiah already prophesied more than 2 000 years ago that *“the Lord’s flock will be taken captive”* (Jeremiah 13: 15-17). Again, since the Bible is a book for all generations and today remains just as valid and powerful than 2 000 years ago, the “captivity” that Jeremiah was referring to here could also have a deeper dimension that perhaps even he himself did not contemplate when the words were spoken.

6.3 Capturing of souls (as birds in the net of a bird catcher)

In Psalm 91:3 our Lord Jesus says that He will *“deliver us from the snare of the fowler”*. This is similar to what Ezekiel describes in chapter 13 verses 18 to 20 namely: *“Thus says the Lord God: Woe to the women who sew magic charms on their sleeves and make veils for the heads of people of every height to hunt souls! Will you hunt the souls of My people and keep yourselves alive?*

And will you profane Me among my people for handfuls of barley and for pieces of bread, killing people who should not die, and keeping people alive who should not live, by your lying to My people who listen to lies?

Therefore this says the Lord God: Behold, I am against your magic charms by which you hunt souls there like birds. I will tear them from your arms and let the souls go, the souls you hunt like birds.”

6.4 Our great commission (calling) in Jesus Christ

In Isaiah 42 verse 7 our Lord Jesus Christ says that he has called us to *“open blind eyes, to bring prisoners from the prison, those who sit in darkness from the prison house.”*

Our Lord says in Isaiah 49: 9: *“That you may say to the prisoners, “Go forth”, to those who are in darkness, “Show yourselves.”*

Isaiah 58:6: *“is this not the fast that I have chosen: To lose the bonds of wickedness, to undo the heavy burdens, to let the oppressed go free, and that you break every yoke?”*

7. KNOWN SPIRITUAL PLACES OF CAPTIVITY AND THE EFFECT ON THE LIVING PERSON

We learn from the Holy Spirit every day and our Lord Jesus Christ continues to reveal new information about the spiritual realm (and the strategies of the enemy to keep God’s people in bondage) as we are writing this teaching....

We have learned that there are parts of hell that serve as places where captive souls (of the living and the dead) are being kept by Satan and his demons. Some of these souls are the real souls of the unsaved dead and others are mere demonic soul copies (DSC’s) of people that are still alive or already deceased.

7.1 Places that have, so far, been revealed to us (by the Holy Spirit)

We have, so far, through ministering to fellow believers, found there to be the following spiritual places of captivity under Satan’s reign:

SPIRITUAL PLACE	EFFECT ON THE LIVING PERSON
<p>Dry and deserted places</p> <p>We have found many DSC’s of people who (after having been set free by Jesus) told us that they were held captive in a dry and deserted place. We have also heard from some that it looks like the surface of the planet Mars.</p> <p>In all of these cases we have heard that it is a place of extreme rejection, loneliness, sadness and isolation. The DSC’s often say that they felt very alone there and could not see or experience the existence of anybody else.</p> <p>We read in the Bible of these “dry places” namely in Matthew 12: 43: <i>“When an unclean spirit goes out of a man, he goes through <u>dry places</u>, seeking rest and finds none.”</i> (Also Luke 11:24.)</p>	<p>Extreme rejection, loneliness, sadness and isolation.</p>
<p>Land of forgetfulness</p> <p>A place of extreme loneliness, sadness, abandonment and rejection. It is a place where the devil imprisons people in order for them to live their lives forgotten by others. They feel as if nobody even knows that they exist.</p>	<p>Sadness, abandonment, rejection and isolation (NB). People forget that they exist and take</p>

<p>In Psalms 88:12 we read the following: <i>“Shall Your wonders be known in the dark? And Your righteousness in the <u>land of forgetfulness</u>?”</i></p>	<p>no recognition of them.</p>
<p>Places of extreme humiliation We have found captives who said that the place where they were held captive is a place where they were being constantly humiliated by the demons. This was apparently due to the pride and rebellion of their ancestors and the blood line curse of Leviathan.</p>	<p>Inferiority, inadequacy and low self-worth</p>
<p>Places of death and destruction (also called the “shadow of death”) Some captives that we have dealt with so far described the place as similar to a grave, that it is very dark in there and that the DSC’s held captive there are as the dead. We therefore had to call them out from their spiritual grave as Jesus did with Lazarus. (John 11: 43) Psalm 23:4: <i>“... though I walk through the valley of the shadow of death, I will fear no evil...”</i></p>	<p>Spiritual, emotional and physical death.</p>
<p>Places of murder and bloodshed Some DSC’s of living people that we have already found told us that (before they were rescued by Jesus) they were in a place of murder and bloodshed where there is blood everywhere (e.g. against the walls) and where the demons cut and torture them all the time so that there is constant bloodshed. Some even told us that they were in a spiritual place where there is constant war but they never obtain victory. Other DSC’s that we have found of the people that we ministered to told us that they were held captive in a place of bloodlust, violence and war. They told us that the demons in that spiritual place tortured them by dipping their heads constantly in a pool of blood. There is also a constant smell of rotten human flesh in that place. The main demon that apparently holds guard to this spiritual place is Abaddon¹⁴.</p>	<p>Murder, hatred, bloodthirst, bloodshed, violence</p>
<p>Places of constant pain and torture (trauma) These DSC’s were held captive in a place where they are constantly being tortured and traumatised by the demons.</p>	<p>Unable to obtain complete inner healing from trauma</p>

¹⁴ Timmons in his e-book called *Mysterious secrets of the Dark Kingdom* on page 62 says that the word Abaddon means “eternal destruction”. He is a very high ranking demon in Satan’s kingdom.

	etc. The real person must remain captured in emotional pain and hurt.
<p>Places where it is constantly burning</p> <p>These DSC's told us that the smell of burning flesh was in the air and that they were constantly nauseous of the smell. These DSC's then also shared with us that they were held captive there because of sun god worship in the ancestors and the fact that their ancestors sacrificed their babies to the sun god.</p>	<p>Tendency to burn themselves with fire, hot dishes etc.</p> <p>Abortion, sun god worship (refer our teaching on the evil stronghold of Athaliah¹⁵).</p>
<p>Spiritual caves</p> <p>Many of these captives told us that the place of their captivity was similar to a cave and that they experienced extreme sadness and loneliness there. Some of these DSC's also told us that there were hybrid¹⁶ spiders in those caves that injected spiritual poison into them all of the time. This caused tiredness in the real person that we ministered to and when these captives were set free by Jesus, the person witnessed that she no longer suffers from extreme tiredness.</p> <p>Some of these DSC's were also chained with shackles to the wall of a cave.</p>	<p>It may be anything – depending on what the demons do with the captives in the caves e.g. tiredness in the case where the hybrid spiders injected spiritual poison into the DSC's.</p>
<p>A spiritual dungeon</p> <p>There are places in hell where DSC's are held captive that is similar to a dungeon. Captives that were rescued from out of there witnessed that it is extremely cold in there and that it is of stone and very dark.</p>	<p>Unable to get breakthrough (spiritually or otherwise)</p>
<p>Spiritual “concentration camps”</p> <p>Some DSC's that were rescued by Jesus testified that they were set free by Jesus from a spiritual place that looked like the Nazi concentration camps that were used to keep the Jews captive during the second world war.</p> <p>Isaiah 42: 6 and 7</p>	<p>Unworthiness, inadequacy, low self-worth, sadness, brokenness, hopelessness etc.</p>

¹⁵ On our webpage under “free publications”

¹⁶ A hybrid is a combination of an animal and a human being with a demonic spirit.

<p>Deep, dark and slimy pit</p> <p>The DSC of a man that we ministered to (after being set free by Jesus) said that he came from a deep dark slimy pit (or hole in the ground) that was septic. He said that he was constantly being tormented by demons in that pit and that he tried to get out but was unable to since, just as he almost reached the top of the pit, the demons threw him back down again.</p> <p>DSC's of a person that were held captive (due to the fact that the person had the umbilical cord around his neck at birth) said, after being rescued by Jesus, that the place where they were held captive was dark and slimy and they felt as if they suffocated.</p> <p>Psalm 69:2: <i>"I sink in deep mire where there is no standing: I have come into deep waters, where the floods overflow me."</i></p> <p>Psalm 69:15: <i>"... and let not the pit shut its mouth on me."</i></p> <p>Isaiah 24:22: <i>"... As prisoners are gathered in the pit, and will be shut up in the prison..."</i></p> <p>Psalm 40:2: <i>"He also brought me up out of a horrible pit, out of the miry clay..."</i></p> <p>Lamentations 3: 53 & 55: <i>"They silenced my life in the pit and threw stones at me... I called on Your name, O Lord, from the lowest pit."</i></p>	<p>Depression, hopelessness, despair, fear, anxiety etc.</p>
<p>Places of extreme sexual immorality</p> <p>Some of these DSC's told us that they came from a place where they were sexually molested and even raped by the demons. They testified that this sexual torture was an ongoing process and that it never stopped. Usually demons such as Asmodee reign here.</p>	<p>Sexual immorality – unworthiness and rejection as well as a feeling of being dirty in the real person.</p> <p>Sexual coldness</p>
<p>A medieval castle – witchcraft</p> <p>We have also found DSC's of living people who testified that they were held captive in a place that looked like an ancient and medieval castle. They said that there are witches there who do rituals (accompanied by blood sacrifices) all the time and also speak curses over them constantly. These curses are mostly aimed at infirmities such as cancer etc. in the real person. The witches and demons also injected them with spiritual poison. In one particular case, the</p>	<p>The demons in this spiritual place continuously speak curses over these captives, thereby affecting the real person that is living on earth e.g. by way of infirmities.</p>

<p>real person on earth felt the prick of the needle and one could actually see the prick mark on her flesh.</p>	<p>Unable to find peace and unable to live in total victory.</p>
<p>A vault without a door We have found that a person that we ministered to had a DSC of herself that was held captive by Satan in a spiritual vault that did not have any door. This was apparently due to the black African witchcraft rituals that her ancestors were involved in.</p>	<p>The real person was unable to get spiritual breakthrough unless the prisoner was set free first.</p>
<p>A spiritual labyrinth We all know what a labyrinth is, namely a complicated irregular network of passages or paths in which it is difficult to find one's way. It is also called a "maze". Some DSC's that were made free by Jesus said that they came from a spiritual place that was as a maze or a labyrinth and that they were constantly looking for the end/opening but could not find it.</p>	<p>The people do not get victory in various areas of their lives – it may be spiritually, in the soul dimension, physically or even financially or in their calling in Jesus Christ.</p>
<p>A place from where a person's mind is influenced or controlled (i.e. kept captive) We have ministered to someone who have been on drugs in the past (specifically CAT) but who have since repented for it and have also been "clean" for a while. He however said that he found it difficult (after having used CAT) to concentrate and to focus. He also struggled to take in information and to remember what he has learned. We found that DSC's of this person were held captive (as a result of the use of CAT) in a spiritual place under the control of Lucifer (as well as Kundalini) and that the demons in that spiritual place injected the DSC's of that person constantly with poison that is meant to contaminate his thoughts and the intention was that the real person living on earth should become mad and even feel brain-dead! Even DSC's of people who previously had a problem with other addictions such as alcohol, medication, spending etc. may be held captive by demons of addiction in a spiritual place under the reign of Satan.</p>	<p>Mind-control, numbness, lethargic, mental illness. Struggle to gain freedom from addiction – in and out of rehab ...</p>

<p>A place under the reign of Mammon</p> <p>We have experienced that the Lord freed DSC's of a lady whom we ministered to out of a spiritual place under the reign of Mammon. She said that the place in Hell where Mammon reigns is of solid gold with huge golden coins everywhere and that she experienced that the DSC's held captive there were forced to eat these golden coins due to their greed and lust after money.</p>	<p>Materialism, greed, lust for money and earthly belongings. Keep people captive in greed, debt and spending.</p>
<p>A place under the direct reign of Satan himself</p> <p>We found DSC's (thousands) of a woman we ministered to (who had DID) in a spiritual place where Satan himself raped and sexually molested her DSC's all the time and where her DSC's partook in rituals to the glory of Satan. Due to the constant trauma of the captive DSC's, we found that the captive DSC's all also had DID (several parts).</p>	<p>To keep the real person on earth captured in trauma and emotional turmoil. She must remain a bride of Satan and the DID programme in the real living person must be kept in place due to the fact that her captured DSC's still have DID.</p>

7.2 Other spiritual places identified by Ana Méndez-Ferrell

Ana Méndez-Ferrell writes that there are (in addition to those that we have listed above) also spiritual places of fear, of homo-sexuality, of pain, covenant chambers (occult) and places of depression.

This makes perfect sense to us. Actually it makes sense that there would be a spiritual place under the reign of Satan for each type of human captivity in order for Satan to keep the human race in every kind of bondage.

8. WHAT IS THE ENEMY'S AIM WITH THESE PRISONERS?

Ana Méndez-Ferrell says¹⁷ that the goal of the devil's empire is to take prisoners, to subjugate them, to oppress them, to rob them of every gift of God and, finally, to destroy them. Satan uses slavery to cut the wings of the spirit with which we soar to the heights of God.

¹⁷ Page 49

We minister daily to believers in Jesus Christ by way of prayer so as to free them of every kind of bondage. In our experience, Satan wants to keep the human race captive, in the first place so that, because of their sin and unholiness, they may not “see” God (get the revelation of His love and what He has done for them on the cross) and, secondly, if they have seen God and has accepted His saving grace, to then keep them in chains and therefore powerless for His Kingdom on earth.

We sense that the enemy thought that human kind would never discover this spiritual phenomenon and thought that he would be able to keep the souls of men captive in this way. All glory and honour to our Father in Heaven, Jesus Christ His son and the precious Holy Spirit for this end-time revelation for the Bride of Christ!!

9. WHAT GIVES THE ENEMY THE RIGHT TO TAKE THE SOULS OF MEN CAPTIVE?

9.1 Sin

The root cause of all evil in the world is sin and man’s choice to commit sin. Sin is essentially rebellion against God and each time that we freely choose to sin, we actually reject God in that area of our lives and enters into agreement with Satan¹⁸. This already started thousands of years ago in the Garden of Eden when Eve chose to sin and Adam also chose to follow.

If one therefore understands that sin is disagreement with God and agreement with Satan, then it follows that in the spiritual realm, Satan will have certain rights over a person due to the unrepented sin in his/her life.

It appears to us that certain unconfessed and unrepented sin gives the enemy the right to hold DSC’s of that person captive. We are not yet quite sure which sins would give the enemy such a right and if the captive DSC’s would automatically be released by the enemy from their place of captivity when the person confesses and sincerely repents of that particular sin.

What we however do know at this stage, is that the shedding of innocent blood (e.g. murder and abortion) would definitely give the enemy these rights. Another example would be wilful rebellion against God, for example cursing God. Yet another example would be acts of extreme sexual immorality and perversion such as sodomisation and rape.

We trust our Lord Jesus Christ for more revelation in this area in the future and Warriors of Jesus (that are active in the calling of setting the captives free) are being encouraged to experiment (under the guidance of the Holy Spirit) and to find out...

9.2 Unforgiveness and bitterness

We have not yet found an example of this in ministry but Ana-Méndez Ferrell writes in her book that the enemy may have the right to take captive a DSC of someone who does not want to forgive, based on the following Scripture (a parable that Jesus told):

Matthew 18: 34 & 35: *“And his master was angry and delivered him to the torturers until he should pay all that was due to him. So My heavenly Father also will do to you if each of you, from his heart, does not forgive his brother his trespasses.”*

9.3 Blood line curses

In this regard, readers of this teaching are referred to our complete teaching on blood line curses called *“Enemy within - Blood line curses”* (that is freely available on our webpage). It will help readers to gain a more complete understanding of how believers in Jesus Christ may still be subject to blood line curses and what its effect is on a believer.

We have, so far, found captive DSC’s due to the following blood line curses but obviously this list is not comprehensive and there may be many other types of sin that were committed by the ancestors that gave the enemy the right to hold *“prisoners of war”*:

- Bloodlust, murder, violence, war

We have found that DSC’s of living people are often held captive by the enemy due to blood thirst and murder of innocent people by their ancestors. War and violence in the lives of the ancestors apparently has the same spiritual consequence. Abortion is nothing other than murder of one’s own offspring (i.e. a child sacrifice to Satan) and therefore this type of sin by the ancestors will also result in prisoners (DSC’s) being taken captive of the descendants based on the blood line curse of murder and child sacrifice. Suicide and even so-called “euthanasia” is also nothing other than murder and will therefore have the same spiritual consequences in the bloodlines.

- Witchcraft

If your ancestors were in witchcraft or any form of the occult, this blood line curse would also give the enemy the right to keep DSC’s of you and your children captive in a spiritual place under his reign. This is due to the fact that the ancestors may have sold their souls (as well as the souls of their descendants) to Satan in order to gain power. Curses may also have been spoken over your ancestors (and their descendants) and they may even have sacrificed their descendants in the spirit to Satan. All of this has the effect of a spiritual barter transaction: Your soul (and the

souls of your descendants) in exchange for favour and power in Satan's kingdom.

- False religion/idolatry e.g. sun god worship (NB)

Any type of false religion or idolatry that took place in the lives of the ancestors and was unrepented for creates a blood line curse affecting the descendants. We however found that especially sun god worship, coupled with the sacrificing of babies, creates very strong blood line curses over the descendants. Based on these blood line curses and the abomination unto God that it created, the enemy also appears to have obtained the right to create DSC's of the ancestors themselves but also of the living descendants and to keep them captive in spiritual places where the sun god Rah (or Rahab) as well as Baal or Molech reigns.

We have found in many sessions with people that several DSC's of people (often hundreds or even thousands of them) are being set free from spiritual places under the reign of Athaliah (DSC of Queen Athaliah from the Bible) and Baal as soon as the curse of Athaliah (traditionally seen as the curse of Jezebel and Ahab)¹⁹ has been broken and we then ask Jesus to set the captives free!

- Freemasonry – the Lewis curse

Freemasonry (and for that matter all the secret organisations such as the Jesuits, the Knights Templars, the Rosicrucian's, the Broederbond, the Ossewabrandwag etc.) creates very strong blood line curses. One will therefore often find that DSC's are being held captive in a spiritual place under the reign of Satan based on the ancestors' involvement in these organisations.

The Lewis curse is then also a particularly strong curse that works through Freemasonry and often brings poverty, various infirmities, barrenness, divorce etc. into a bloodline. Warriors of Jesus should therefore remember to test for DSC's that are being held captive in a spiritual place under the reign of Satan, after they have broken the curse of Freemasonry as well as the Lewis curse.

- Various infirmities

Sometimes a specific infirmity runs in a family bloodline, resulting in a bloodline curse. This could be anything e.g. asthma, chronic lung disease, breast cancer, sugar diabetes, arthritis, thrombosis, heart

¹⁹ Find our complete teaching on "The evil stronghold of Athaliah" on our webpage www.ignitedinchrist.org under "publications" and "free publications"

diseases etc. Things like depression, anxiety, Parkinson's, Alzheimer etc. can also become a curse that is carried to the descendants through the bloodlines. We have often found that, as soon as the bloodline curse is cancelled in the womb, one may request for the release of the prisoners only to find that the captive DSC's suffered from the same infirmities. The effect of these captive DSC's on the real living person is to prevent his or her physical healing, irrespective of prayer.

- Extreme sexual immorality and perversity

Our God sees sin against one's own body (that is a temple of the Holy Spirit) in a very serious light.

We have often found DSC's of people in spiritual places of extreme sexual immorality due to the fact that their ancestors were involved in sexual immorality or perverse sexual acts.

In this regard, one should remember that witchcraft and sun god worship is usually closely associated with extreme sexual perversity and rituals of sexual immorality. We should therefore remember to test for these DSC's that may be held captive in a spiritual place, as soon as it becomes evident that there was a blood line curse of Witchcraft, Satanism and/or Sun God worship and even Freemasonry.

It is a well-known fact that sodomisation is part of Freemasonry at the higher levels and that high-ranking Freemasons usually arrange rituals of sexual immorality to be done on their sons (at a very young age) in order to initiate them into the cult and often also to make them dissociate (form DID²⁰ parts).

We heard from DSC's that were held captive based on extreme sexual immorality in the ancestors, that the place where they were being held captive is a place where the demons torture them constantly by raping or sexually molesting them.

- Sexual intercourse with demons (seed of the Nephilim)

This happened often in the time of Noah but also thereafter (Genesis 6:4) and it is from sexual intercourse with high ranking demons that the Nephilim had its origin.

We know that the "seed of the Nephilim" is a very strong blood line curse in the human race and that it appears to give Satan and his demons very strong rights over a blood line. It therefore goes without saying that there

²⁰ Dissociative Identity Disorder

would be numerous DSC's of people (that are being held captive in spiritual places under the reign of Satan) based on this curse.

- Spiritual trading – Mammon (selling of one's soul for money, status, power etc.)

The previous generation of people used to say that *“you should not sell your soul to the devil”* by doing something really bad! We, at the time, did not know how valid and true this statement actually is.... For example, if someone should become a Freemason and (as part of the rituals that are necessary to take them from the one degree to the next) swear allegiance to Satan in order to gain fortune, power, influence and money, he or she has (knowingly or unknowingly) sold his/her soul to the devil in that area. A trade-off then takes place in the spirit: *“Your soul (sometimes also those of the descendants) in return for money, fame and fortune”*.

This is also exactly what happens when artists, singers etc. become members of the Illuminati in order for them to become famous and successful and to earn good money.

Therefore, one may expect to find DSC's that are held captive in a spiritual place under the reign and control of the demon Mammon (and Lucifer), when these type of blood line curses have been broken.

- Rebellion against God, pride, deliberate and wilful disobedience of God

We have found DSC's that were held captive based on and due to the rebellion and pride of their ancestors. They witnessed that, in the spiritual place where they were held captive, they were constantly humiliated in various ways by the demons.

- The mark of Cain

We have already found in ministry that people who had the spiritual mark of Cain on them (by way of the bloodline curse of the mark of Cain) often also had DSC's of themselves that were kept captive somewhere in a spiritual place under the reign of Satan and that these DSC's also had the spiritual mark of Cain on them, which we had to cancel with the blood of Jesus, before they could be freed and taken away by Jesus.

The above is only a couple of blood line curses that we have so far experienced may give rise to captive DSC's in spiritual places under Satan's reign. We are however still learning and therefore there may be many more blood line curses

that may also give rise to this phenomenon and therefore we encourage spiritual Warriors of Jesus to experiment and find out!

It is also important to take note of the fact that these captive DSC's will not necessarily and automatically be released from their spiritual place of captivity when the blood line curse is cancelled. We have to, as instruments in the hands of our Lord Jesus, take action and "*set the captives free*" by prayer and by asking Jesus to send in His warring angels to free them from their spiritual prisons.

9.4 Emotional blow, trauma, broken heart, emotional pain etc.

We already know that trauma, emotional pain, rejection, fear and shock etcetera may be the cause for the enemy to make a DSC of the person him- or herself and to put this DSC back into the person. We call this spiritual phenomenon a "hurt inner adult" (HIA) or a "hurt inner child" (HIC).²¹ The purpose of the enemy with this HIA or HIC is then usually to keep the trauma, hurt and/or rejection captured in the person, irrespective of the fact that he/she has prayed over it and has forgiven the people who have hurt them. This HIA or HIC should then also be dealt with spiritually so that Jesus (by the power of His Holy Spirit) may take the HIA or HIC away.

However, it appears that in extreme cases of emotional hurt, rejection and trauma, the enemy may (in addition to the HIC or HIA) also take captive one or more DSC's of the traumatised or hurt person's soul dimension and keep them captive as prisoners somewhere in the spiritual realm where demons of trauma, rejection, hopelessness and brokenness torture them continuously so as to keep the hurt feelings and emotions alive in the real living person.

The soul dimension of a little baby may, for example, also be copied and taken captive by the enemy based upon the trauma when the parents attempted or contemplated an abortion.

9.5 Umbilical cord around the baby's neck at birth

We have recently ministered to a man who said that he had the umbilical cord around his neck at birth. We knew already at that stage that where the umbilical cord is around a baby's neck, it is usually a sign that the child was born with a serious spiritual blood line related bondage (from either the mother or the father's side of the blood line or both). We therefore prayed that Jesus should take the man back (in the spirit) to the time of his birth and then we removed (spiritually) the umbilical cord from his neck. He immediately felt relief in that he experienced that something was indeed removed from around his neck.

The Holy Spirit then prompted us to test for DSC's of the man that were being held captive in the spiritual realm under Satan's reign due to the fact that the

²¹ Find our complete teaching on HIC and HIA's on our webpage

umbilical cord was around the neck. This is a perfect example of the fact that we should believe and operate as children since, if we should have used our own human intellect to judge the situation, we would probably have decided that it is ridiculous and would not have tested for these DSC's.

We were however blindly obedient to the Holy Spirit and therefore asked whether there are any DSC's of this man that are being held captive in the spiritual realm under Satan's reign due to the fact that he had the umbilical cord around his neck. Our obedience was rewarded when a couple of DSC's were rescued by Jesus from the deep, dark and slimy pit that they were in. The DSC's said that their effect on the real living person was to keep him in a state of fear for literally everything but, most importantly, of other people (fear of man). They said that they themselves struggled to breath in the slimy pit and felt constantly as if they suffocated.

Jesus washed all these DSC's clean with His blood and took them away!

9.6 Use of drugs and other addictive substances

It appears that the use of drugs opens a door to give access to demons of Mind-control (as well as Lucifer and Kundalini) to copy the soul dimension of the person using the drugs and to keep these copies captive in a spiritual place under the control of the main demons that work with drugs i.e. Lucifer, Kundalini, Mind-Control, Addiction etcetera.

This may explain why some drug addicts (who really want to stop using drugs) find it difficult to completely break free from the habit and often falls back.

9.7 Eating of raw flesh (with the blood still in it) or drinking of blood (e.g. during hunting rituals)

We have recently found that the enemy apparently has the right to make DSC's of a person and to keep it captive in a spiritual place of bloodlust in the spiritual realm based on the fact that the person ate the raw testicles of an antelope that he shot (this was part of a ritual that hunters apparently partake in when they shoot their first antelope.....).

This perhaps makes sense if we take into regard what God says in Leviticus 17 verses 10 to 12 about the eating of blood: *"And whatever man... eats any blood, I will set My face against that person who eats blood, and will cut him off from among his people. For the life of the flesh is in the blood ... No one among you shall eat blood..."*

9.8 Satanic or other rituals

Certain curses spoken by witches or Satanists that are sealed in the spirit with rituals and especially blood sacrifices may also result in DSC's of the person that was cursed to be held captive in a spiritual place under the reign of Satan. This will however only be so if there were sufficient "open doors" or legal rights

in the person that was cursed (e.g. unbroken blood line curses of witchcraft (e.g. Athaliah) and/or a strong DSC that is also in witchcraft (e.g. Athaliah) and that is already in the person that is being cursed).

We ministered to a man that said the Holy Spirit reminded him of the fact that he climbed into a coffin (in Egypt in one of the tombs of the pharaoh's) long ago when he visited Egypt. He however, at the time, saw it as a big joke and thought nothing of it! When we tested, we found DSC's of himself that were held captive in a spiritual place of death in the spiritual realm, apparently since he associated himself with the dead and thereby gave the spirits of death (that were in the pharaoh's tomb) the right to copy his soul dimension and to keep it captive.

One may safely imply from this example that when Freemasons are lowered into an actual or a symbolic coffin (as part of the ritual to the third degree of the Blue Lodge of Freemasonry i.e. to become a "Master Mason"), the demons would obtain the same right namely to make copies of the Freemason's soul dimension and to keep it captive in a spiritual place of death.

We have also found that DSC's were made and held captive in a spiritual place under the reign of Satan based on some of the rituals done in martial arts whereby the person, knowingly or unknowingly, gave honour and pled allegiance to the demonic powers that are given legal right by participation in the martial arts e.g. Kundalini.

9.9 Conversations with the dead

It appears that there may be a trade-off in the spirit between the demons that assist in "calling up of the dead" and the person who wants to obtain information from the dead. The person who seeks counsel from the dead, willingly (but maybe unknowingly) gives the demons access to his/her soul dimension (i.e. to copy it by demonic force and to keep it captive somewhere in the spiritual realm under Satan's reign). Depending on the nature and depth of the conversations with the dead, this may even have an implication for the generations to follow (i.e. it causes a blood line curse until it is repented for, thereby giving Satan and his demons the right to also keep DSC captives of the descendants).

9.10 Horror movies etc.

We agree with Méndez-Ferrell that many horror movies are made with the purpose of trapping souls.²² What happens is that when a person fears, the enemy obtains the right to take the soul dimension captive by making a copy of the fearful soul dimension and holding it captive in a spiritual place of fear and anxiety.

²² Page 76

This may explain why people may still be afraid of certain things that they experienced whilst watching a movie in childhood, even though they are now adults.

9.11 Agreements entered into or covenants made with Satan

In the occult, for example in Satanism or Witchcraft, covenants are frequently made with Satan or demons and they are usually also sealed by blood sacrifices and/or cutting or the drinking of blood. When this happens, the individual is actually “selling his soul” (and often also those of his/her descendants) to Satan. This inevitably gives Satan and his demons the right to make DSC’s of the individual’s soul dimension and to hold them captive in a spiritual place under the rule of Satan or Lucifer or some or other demonic principality.

This may explain to us why people who break free from Satanism or Witchcraft in order to follow Jesus, often find it a lifelong struggle to gain complete victory in Jesus Christ. We always used to say that if you were previously in Satanism or Witchcraft that “*Satan has your number*” and that he “*will never lose it!*” We now perhaps understand why Satan has such a grip on people who have previously made covenants with him. Although the covenants may have been broken by the power of the blood of Jesus, Satan still holds the prisoners (captive DSC’s) over whom he has full authority. This, in turn, has an effect on the actual person living on earth (i.e. keeping him in bondage to Satan in various areas of his soul and body).

We once ministered to a young man who said that he, as a rebellious teenager, signed next to a pentagram drawn on a piece of paper but he did not think anything of it. We found DSC’s of him in a spiritual place under the reign of Satan due to what he did since Satan saw it as entering into an agreement with him and that he thereby gave Satan rights to his soul.

We should also, in this context, remember that some of the rituals done and declarations made as part of the various degrees in Freemasonry actually amounts to covenants and agreements being made with Satan (which may also include the descendants of the Freemason). We may therefore expect that there are DSC’s of a person (that are being held captive by Satan in a place under his reign), if the person or his/her ancestors were involved in Freemasonry.

9.12 Rituals done on someone “in the spirit”

We recently ministered to a lady who, as a young child of five years old, fell into the hands of a witch (her drum majorette teacher at the time) who caused (by demonic power) the young child’s spirit to be pulled from her body (must have been when she was sleeping at night) and then the witches did rituals on and with her spirit (in the spirit). The one ritual that was done involved forcing the

spirit of the young girl to sacrifice babies in the spirit to Satan. The other ritual that was done was to marry her in the spirit to Satan and to cause Satan to have sexual intercourse with her to confirm the marriage union in the spirit.

This gave Satan and his demons the right to make DSC's of her soul and to keep these copies (thousands) captive in a place in hell where he himself (Satan) was torturing them all the time. Fortunately Jesus has set them all free!

10. WHEN IS THE DSC TAKEN CAPTIVE?

10.1 At conception in the womb

Most often the DSC's are already formed and taken captive at the person's conception in the womb, when the soul dimension is created by God²³. That would be the case if the right of the enemy to do this comes from a blood line curse or something that the ancestors did that bound their descendants. Most of the spiritual captives we have so far found told us that they have been held captive in this spiritual place from the time of the real person's conception in his or her mother's womb. This is really shocking to know and gives a whole new understanding to the words of David where he says in Psalm 51:5: *"Behold, I was brought forth in iniquity and in sin my mother conceived me."*

10.2 At the time when the enemy gained the right

If the right of the enemy to do this does not come from something that happened higher up in the blood line (i.e. in the lives of the ancestors) but from something that happened during the person's own lifetime (e.g. sin, unforgiveness, trauma or a specific ritual that was done (e.g. visiting a sangoma)) then the DSC would be created and taken captive by the demons at the exact time when the incident happened in real life.

11. WHAT IS THE "CONNECTION" BETWEEN THE CAPTIVE DSC'S (IN A SPIRITUAL PLACE UNDER THE REIGN OF SATAN) AND THE REAL LIVING PERSON?

From our experience in ministry, it seems as if the captive DSC'S are linked to the real living person in the spirit by something similar to a soul tie. One could also perhaps describe it as a spiritual umbilical cord.

The Holy Spirit showed us that this soul tie is similar to a rubber band (connecting the DSC's in the spiritual place under the reign of Satan with the real living person). When Jesus then frees the captives from their captivity, the rubber band is released causing the DSC's to "bounce back" to the real living person, whose soul copies they are.

This explains how it may be that, after the DSC's have been freed from captivity by Jesus, we may speak to them in the person that we are ministering to. They

²³ Genesis 2:7

are therefore released from their places of captivity, only to find themselves in the person whose soul copies they are.

We agree with Méndez Ferrell where she says²⁴ that the captive soul dimension (DSC) sees, hears and feels everything that is happening in the place of imprisonment, just as the real person would have if he or she was actually held captive there.

Some of these captive DSC's (after having been made free by Jesus) told us that they knew about the existence of the real living person on earth and that they even knew what effect they (the captive DSC's) had on the real living person (e.g. that the person should feel unworthy and have a low self-worth). On the other hand, others said that they did not know of the real person who lives on earth and also did not know that their existence had an effect on the real living person.

Our Lord Jesus Christ also gave us the image of a puppet master (being Satan and his demons) who has the right to (in soul and body) manipulate people on earth (even Christians) by the invisible spiritual chords that connect the real living person with his or her captive DSC's.

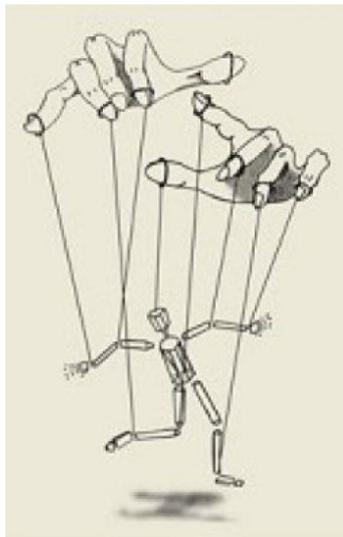

In this comparison the living people, the cords the living people and their sticks (or the knots) that in his hands are the

We may therefore never blame Satan or a demon for what goes wrong in our lives but should always be prepared to be accountable towards God for our own mistakes and our sin.

12. HOW WILL I KNOW IF THERE ARE CAPTIVE DSC'S OF A PERSON'S SOUL DIMENSION IN SPIRITUAL PLACES UNDER THE REIGN OF SATAN?

Ana Méndez-Ferrell says in her book²⁵ that every person who has suffered an emotional blow or trauma or has experienced the pain of a broken heart is almost certainly being held captive in some area of life. Anyone who comes from a broken home or from a heritage of the occult or blood shedding is in a similar situation. That part of your life where you feel that you do not yet live in victory or where there is a blockage you can't seem to get around, has to do with spiritual captivity.

The shocking truth is that most Christians do have spiritual captives of themselves (DSC's) that are being held captive in spiritual places under the reign of Satan due to what their ancestors have done, thereby causing blood line curses.

Other sure signs of the existence of these spiritual captives are, in our experience, the following:

- The person struggles to gain full victory in life despite a vast number of deliverance and inner healing sessions;
- There seems to be a “block” in their deliverance and healing or it seems as if they have reached a “dead-end” in their own quest for complete inner healing and freedom in Jesus;
- Despite the fact that all known blood line curses have been broken over the person and all known sin and unforgiveness has been dealt with (confessed and repented) some demons and/or demonic soul copies in the person still seem to have a lot of strength and power to resist. It is almost as if the demons and or DSC's enjoy the fact that they still have power and do not want to cooperate;
- When you know that all rights of the enemy have been taken away and the particular demon (or DSC) even admits it but still does not want to release the person; and
- If any of the legal rights (referred to in paragraph 9 above) existed but has now been taken away and the person still feels unable to live in complete victory.

Méndez-Ferrell says²⁶ that someone's soul dimension may belong to God (being saved and redeemed) yet suffer demonic influence because of DSC's that are being held captive. We agree with her that this condition may produce illness, failure, fear, anguish and breakdowns that do not seem to respond to prayer.

²⁵ Page 19

²⁶ Page 71

13. HOW DO WE MINISTER TO THE CAPTIVE DSC IN ORDER FOR IT TO BE SET FREE?

13.1 Jesus paid the full price for your complete freedom and victory in Him on earth

Jesus came to set the captives free but this does not happen automatically. As Méndez-Ferrell says²⁷ Jesus signed the check, but we must cash it. God wants us to possess all the riches of His grace right now.

It is the same than the fact that Jesus died for the sins of the world, but this does not automatically save the whole earth and everybody on it. Each of us must receive the Gospel, repent from our sins, leave our vain ways of living, invite Jesus into our hearts and truly make Him the Lord of our lives. Only then are we saved.

The same thing happens when we say He took our captivity captive and seated us in heavenly places (Ephesians 2: 6-7). He gave us the victory so we can leave our captivity without oppression. He opened the way for each part of the soul to be established in heavenly places with Him

God has called us to call the prisoners out and to tell those who are in darkness to show themselves (Isaiah 49: 8-10).

If we are truly in Him (and Him in us), we hold the keys of death and hell and are full of the Holy Spirit (Revelation 1:18).

13.2 Spiritual keys to freedom in Jesus Christ

Our Lord Jesus has taught us that some of the spiritual keys that may be used to unlock any type of spiritual captivity are the following:

- Hearing and accepting the truth (John 8:32: *“And you shall know the truth, and the truth shall make you free.”*);
- Forgiveness of the living and the dead (including ourselves and God);
- Sincere confession and repentance of sin (without repentance the blood of Jesus, shed for us on the cross, does not atone for our sins);
- Sincere confession and repentance for the sins of our ancestors in order for the blood of Jesus to wash us clean from the inherited unrighteousness, thereby also cancelling the blood line curses over us and our children;
- Inner healing of trauma, hurt emotions and pain by the blood of Jesus;
- Deliverance: Casting out of demons, addressing DSC’s and asking Jesus to set the captives (DSC’s held captive in spiritual places under Satan’s reign) etcetera.

²⁷ Page 122

We are continuously trusting the Lord for even more spiritual keys to unlock the prison cells and to set the captives free.

13.3 A court order of release

Our Lord Jesus Christ has shown us that the spiritual realm was created by Him according to rules similar than the rules of law that we have on earth. Therefore, if all the rights of the enemy (to keep God's people captive) have been taken away, the situation is similar to a prisoner who is being held in prison without any just cause. He may then approach a court of law to request an order for his release since there is no longer any valid reason to keep him captive.

We therefore in actual fact approach the Court of Law in Heaven when we ask in prayer for the release of the prisoners from their captivity under Satan's rule and, if there are no longer any just cause for Satan to keep them captive, they will be released.

The spiritual order for release is given by God and the enemy has to obey since he may only do what God allows and God will only allow the enemy to do what is within his legal rights.

13.4 The process we were taught by the Holy Spirit

There are people, such as [Ana Méndez Ferrell](#) and others, who claim that they have obtained the mandate and permission from our Lord Jesus Christ to enter the spiritual realm prophetically to access these spiritual places in order to set the captives free.

Although we do not necessarily disagree with the way in which [Mendez-Ferrell](#) feels that they have been empowered by the Lord to set the captives free, we do agree with her²⁸ that not everyone is gifted prophetically to see the Kingdom of God and the kingdom of darkness. She herself says²⁹ that if you are unable to see the spiritual world, do the deliverance by faith. She encourages believers to simply apply the truth established in Isaiah 49 verse 9 to say to the captives "Come out" and to those in darkness, "Show yourselves".

Our mandate from the Lord Jesus Christ is to set the captives free simply by faith since our Lord says in his Word in 2 Corinthians 5: 7: "For we walk by faith, not by sight." Therefore, if we have sufficient faith, it is not necessary for us to see. We could simply in faith accept that what we have prayed for has happened.

We may therefore simply ask the Lord to send in His warring angels to set the relevant captives (DSC's) free whilst we stay safely outside of the places of captivity in the spiritual realm. The process that we therefore follow in order to

²⁸ Page 128

²⁹ Page 128

set the captives free (as soon as we have heard from the Holy Spirit that there may be such prisoners) is basically as follows:

- We command the gatekeepers to the relevant spiritual place to be bound in the name of Jesus;
- We ask Jesus to send in His holy warring angels to seek the prisoners out and to rescue them from that spiritual place and to bring them to a place that is under God's authority;
- We then ask our Lord Jesus to restore these DSC's back to health and to life and to wash them clean with His blood of any unrighteousness of the ancestors that may have been the cause of them being there (e.g. rituals done, witchcraft etc.);
- If we pick up in the spirit that they are sufficiently washed clean by the blood of the Lamb and are now ready to go with Jesus, we then ask Jesus to take these DSC's of the person away; and
- In some cases (when we clearly see that the DSC is there and has been made free by Jesus), we would call the DSC out of the person into whom it has been released and then talk to the DSC as we would do with a Hurt Inner Child (HIC) or Hurt Inner Adult (HIA). This is how we have obtained all the information about the nature of the spiritual places where these DSC's have been held captive etc.

13.5 Remember to include the people under your spiritual authority

We have found that God honours our prayers for our spouses and children and other people that may be under our spiritual authority (also those that you are standing in the gap for since they are no longer able to pray for themselves). Therefore, you may surely include your spouse and your children in your prayer for the release of the DSC captives. Based on your spiritual authority (e.g. as the father or mother) as well as the fact that the blood line curses have also been broken over them, our Lord Jesus Christ will also order the release of the captive DSC's of your spouse and children!

All the more reason why our fathers and mothers should take up their authority in Jesus Christ and start to intercede for their families and loved ones in prayer.

13.6 Be guided by the Holy Spirit: No two cases are the same

The above mentioned is however just a guideline and you should always be sensitive to the Holy Spirit to guide you, as no two (2) cases are ever the same.

14. IS SELF-DELIVERANCE (OF YOUR OWN DSC'S FROM CAPTIVITY) POSSIBLE?

The Lord Jesus Christ, through His Holy Spirit, is our Counsellor (Isaiah 9: 6). We may therefore go to Him and ask Him to help us gain freedom from captivity, also in this area of freedom.

The way to pray over this would be to ask the Holy Spirit to show you whether there are DSC's of you that are being held captive in spiritual places under the reign of Satan and his demons. When you have heard from the Lord that there are captive DSC's, pray that the Holy Spirit will reveal to you the place where the particular DSC's are being kept and why they are there. You may then start to pray into their release in the way that we have set out in paragraph 13.4 above.

Sometimes, however, the believer may require the help of fellow believers who could pray with him or her and who could assist by way of their gifts of the Spirit to pray into the freedom of these captives.

Again, one should remember that the spiritual realm (and especially Satan's Kingdom) is extremely legalistic. Our God is also a righteous God and therefore He respects the spiritual rules that He Himself has created. That means that, should the enemy still have any right to keep these DSC's captive (refer to paragraph 9 above), they will probably not be released, no matter how much we pray or ask.

15. WHAT HAPPENS TO THESE CAPTIVE DSC'S AFTER JESUS HAS SET THEM FREE?

In our experience and according to what the Holy Spirit has taught us in ministry sessions, they simply vanish or disappear (i.e. are being "cancelled").

We should always keep in mind that these DSC's are merely demonic copies of the real person's soul dimension and that they therefore do not have a right of existence in themselves. When Jesus frees the captive DSC's from their places of captivity, it is therefore rather the real living person on earth that gains lasting freedom in Jesus Christ whereas the DSC's are simply being taken away by Jesus (i.e. cancelled in the spirit).

16. WHAT MAY PREVENT THESE CAPTIVE DSC'S FROM BEING SET FREE?

16.1 The person that is being ministered to is not yet baptised as a believer

The baptism of believers is something that we as believers in Jesus Christ should all go through in obedience to Jesus' command in Scripture (Matthew 28:19).

The meaning of the true baptism of believers by way of complete immersion in water is that we become one with Jesus both in His death and in His resurrection from the dead, thereby we are being clothed in Jesus and in His resurrection power. Paul says in Galatians 3:27: *"For as many as you as were baptised into Christ, have put on Christ."*

If we delve even deeper into this, we would also find that believers who were baptised by full immersion in water now has the same spiritual authority here on earth than Jesus (when He lived on earth) and the demons in Satan's

Kingdom know this. Jesus says in Revelation 1 verse 18 that He holds the keys of Hades and of Death meaning that He has overcome death and Satan's Kingdom. When we have been baptised into His death and resurrection, it in fact means that, in Him, we too have overcome sin and death and that we too may use the spiritual keys that Jesus has taken back from Satan to unlock the various places of captivity.

We therefore have serious doubts whether a person who has not yet been baptised as a believer will be able to receive this type of spiritual break-through. However, we may surely still pray for those people that have not yet been obedient in the baptism of believers and specifically also for their inner healing and deliverance.

16.2 Any unconfessed and unrepented sin

If, for example, there are DSC's that are being held captive in a spiritual place under the reign of Satan as a result of the person's own sexual immorality (e.g. pornography, homo-sexuality, adultery etc.) and he or she does not confess and repent for this sin, the blood of Jesus will not atone for it and therefore the sin still stands, thereby creating a curse over the person's life. The curse of the unrepented sin is what prevents the stronghold from being unlocked in order for the captives to be set free.

It follows that the enemy's right to keep the DSC's of the person captive in a place of sexual immorality under his reign would still be intact and that the enemy does not have to let go of the prisoners, even if we should ask in prayer.

Repentance is therefore a very important spiritual key and freedom in Jesus Christ therefore always starts with sincere confession and repentance of sin.

16.3 Unforgiveness.

Unforgiveness in the person that you are ministering to is a huge stumbling block to that person's inner healing and deliverance in Jesus Christ.

The Lord says in His Word that our sins will only be forgiven if we are also prepared to forgive those who trespass against us. Unforgiveness may therefore, in general, be a huge stumbling block to a person's inner healing and deliverance (in general) and therefore also to the setting free of spiritual captives.

16.4 Blood line curses are still intact and not yet cancelled by the blood of Jesus

We have experienced in ministry that the DSC's that are being held captive in spiritual places under the reign of Satan may only be set free if the enemy no longer have any rights over them. The principle is therefore the same in the spiritual realm than in the natural realm. If a human authority on earth should have a legal right to keep a person in prison, the prisoner would have to stay in

prison. If the prisoner is however being held captive without a legal right thereto (i.e. he is not guilty or has served his full sentence), an application may be made to a court of law and the judge would rule in favour of the prisoner's release.

One of the enemy's rights to still hold a prisoner may be an unbroken blood line curse. The blood line curse pertaining to the particular DSC's that are being held captive should therefore first be broken over the person that you are ministering to (in the womb at conception)³⁰ before one may ask that the captive DSC's be set free by Jesus.

An example of this would be the blood line curse of murder, violence and bloodshed. This curse should first be broken in the womb at conception by prayer before one may ask that Jesus send in His warring angels to set free any spiritual captives (DSC's) that are perhaps held captive in a spiritual place under the reign of Satan due to murder and bloodshed by the ancestors.

16.5 Denial in the person that lives on earth

The person that you are ministering to should not be in denial about any situation in their lives that is linked to the reason why these DSC's are being held captive. An example would be if the person was molested as a child and therefore underwent trauma in their childhood but wilfully chooses to stay in denial about this, it may prevent the captive DSC's of that little child of being set free by Jesus.

16.6 Pride (Leviathan) in the real person – God resists the proud

We know that God says in His Word that He resists the proud. In James 4:6 it is said that *“God resists the proud but gives grace to the humble.”*

It is therefore always very sad if we sense in the spirit that pride or self-righteousness is standing in the way of full victory in Jesus Christ.

Each and every believer in Jesus Christ should confess of and repent for this stronghold of Leviathan³¹ that often also entered our souls and bodies through blood line curses.

16.7 Unhealed trauma

If DSC's of ourselves are being held captive by the enemy as a result of past trauma and we, ourselves, have not yet received inner healing from God thereof in our soul dimensions, we suspect that the DSC's that are being held captive will not be released since the enemy may still have a right to hold them captive. The legal right of the enemy in this case would be the fact that the person has

not yet obeyed the Lord by acknowledging his or her pain and bringing it to Jesus for healing and complete restoration.

Unhealed trauma may include things such as sexual molestation or even rape in childhood or adulthood. It may also include extreme rejection, either as a child or as an adult (e.g. divorce). Any extreme hurt, emotional pain, brokenness (even as a result of the loss of a loved one) will have to be healed by the blood of Jesus first (in the person you are ministering to) before the spiritual captives (DSC's) may be set free.

With "heal" in the previous paragraph we also mean that the hurt inner children (HIC) and hurt inner adults (HIA's) should be addressed in prayer and taken away by Jesus, before the captive DSC's may be released. The reason hereof is that the enemy's right to hold the DSC's captive in a spiritual place under his reign may be attached to the locked-in hurt and trauma of the HIC or HIA.

16.8 In general: An uncrucified flesh-life

If the real living person is not prepared to live a life of total obedience to Jesus and is therefore not willing to crucify his/her flesh (i.e. their own personal fleshly desires) the demons would know that they still have right to the person's soul and body and therefore they would not have to release their captives, as yet.

A good example of this would be if someone seeks freedom in Jesus Christ but still compromises with the enemy in his or her daily life with, for example, drinking, cursing, losing their temper, being sexually immoral by way of extra-marital affairs etc.

We always say that you have to come to Jesus with "clean hands", if you are seeking inner healing and deliverance from Him. However, only Jesus knows our hearts and if we are honest and sincere in trying to break with our sin, He will always bestow His loving grace and forgiveness on us.

16.9 Kundalini (counterfeit holy spirit) demonic infestation

The counterfeit holy spirit is a snake-like demon called Kundalini. Kundalini opposes the working and gifts of the true Holy Spirit. We have often found that a "total block" to inner healing and deliverance is due to Kundalini and then the person should first be delivered from Kundalini before the rest will be able to follow.

The reality in our day and age is that many senior pastors (and their junior colleagues) of the big charismatic churches (also the traditional churches) are Freemasons. Freemasons worship Lucifer and are themselves infested with Kundalini. They therefore (as the spiritual leaders) bring the Kundalini into the churches and with Kundalini goes false signs and wonders. People get infested with Kundalini by merely their membership of these churches since demonic

soul copies of these pastors enter them through the unholy soul tie created by the church membership and the false priesthood. The laying on of hands (when praying) and false prophecies spoken over these members of their churches also creates an easy doorway whereby Kundalini may gain access to a believer's soul and body.

All readers of this teaching should learn more about the counterfeit holy spirit since it is amongst the top 3 threats to believers in Jesus Christ during these end times that we live in. We find DSC's of senior pastors of big churches in the people that we minister to daily!!! We therefore suggest that you obtain our DVD called "Kundalini awareness" and also study our teaching on Kundalini that may be downloaded from our website for free.

17. SOME PITFALLS AND THINGS TO LOOK OUT FOR

17.1 It is not only a "piece" or a "fracture" of the soul dimension that is held captive, but rather a copy of the complete soul dimension

Ana Méndez-Ferrell refers in her book to parts of our souls that are held prisoner through sin, sickness, fear or pain. Although we respect Ana's book and the knowledge that the Lord Jesus imparted to her, we must respectfully disagree with her that these captives are merely parts of the soul dimension of human beings. In our experience, they are complete copies of the original soul dimension of the person.

We are confident of our opinion because of the fact that we have found DSC's and demons to be in these captive DSC's and when we speak to them (the DSC's) and they respond to our calling them out, they respond to us and answer us as a complete copy of a human soul dimension and not merely a part.

We have also recently found that these captive DSC's may have DID. In our view this also confirms that the captives are complete copies of the soul dimension of a particular person and not merely parts, pieces or fractures.

17.2 More than one copy

Depending on the strength of the legal right (e.g. blood line curse) the enemy could have made more than one copy of the same soul dimension. There could therefore be numerous copies of the same soul dimension in the same spiritual place of captivity. We have already found up to thousands of DSC's of the same person in the same place of captivity. In such a case it is important to ask that Jesus set free all the captive DSC's at the same time and that nobody remains behind.

17.3 Captive DSC's may have demons and DSC's in them

We have often found that we first had to cast out demons from these DSC's (just after they have been set free from the spiritual place of captivity by Jesus) before they were able to go with Jesus (i.e. disappear).

It is also a regular occurrence that the DSC's that were set free by Jesus could not find complete peace until we also asked Jesus to rip the DSC's from them of the persons who e.g. traumatised them or did a ritual on them etc.

17.4 Captive DSC's may have DID

We have recently found (when we ministered to a lady who had DID) that there were DSC's of herself in a spiritual place under the reign of Satan that also had DID!! It further appeared that the whole DID programme in the living person were kept going by the demons as a result of the fact that the captive DSC's still had DID.

One could perhaps compare it with a control room (the captive DSC's) from where the demons try to instate and reinstate the DID in the living person due to the fact that the captive DSC's are linked by a very intimate soul tie with the living person.

After having freed the DSC's from their place of captivity, we also had to ask Jesus to integrate all the DID parts of the captive DSC's with their core DID parts, before Jesus could take them away.

17.5 Sometimes you may even have to cancel the bloodline curses or rituals that were done also over the captive DSC's

In certain cases where the particular blood line curses or rituals that were done by the ancestors were very strong, we even had to cancel the blood line curses and break the particular curses and rituals also over the captive DSC's before they were able to be set free completely and could find peace.

18. OTHER OBSERVATIONS WHEN THESE CAPTIVE DSC'S ARE BEING SET FREE BY JESUS

- These captive DSC's are most of the time fully aware of what is happening to them in the place of captivity and of their surroundings. They also know when they are being set free and are under the reign of God. They often give us detail such as how many angels there were that set them free, what the place looked like where they were held captive, who the main demons in that spiritual place were and also what the place looked like where the angels took them (e.g. in God's light, under the Tree of Life etc.).
- We usually know that there are captive DSC's in a spiritual place under the reign of Satan if we know that all rights of the enemy have already been cancelled but a particular demon or DSC still appears to be very strong and does not want to cooperate. It is almost as if you can pick up in the spirit that the demon or DSC is challenging you and is still full of confidence because of the spiritual power that is still being drawn from the captive DSC's. When we sense this, we usually simply bind the

particular demon and then start the process of asking Jesus to free the captive DSC's. After the captive DSC's have been set free, we then again call out that particular demon and we then always find that the demon has *"no more wind in its sails"* meaning that it suddenly becomes submissive and cooperates with us.

- We once had a session where the real person (a woman) experienced a physical pain in her side as of a knife. It came out during the session that the demons had put a knife in the DSC of the real person that was held captive in the particular spiritual place. This had a direct effect on the real person in that she experienced the pain and when the captive DSC's were set free by Jesus, the pain was gone!

19. THE KEYS OF DEATH AND HELL

In Ephesians 4 verses 8 and 9 Paul says that Jesus, before He ascended to Heaven, also descended to the lower parts of the earth (Hell) in order to *"led captivity captive"*.

Jesus says in Revelation 1:18: *"I am He who lives, and who was dead, and behold, I am alive forevermore. Amen. And I have the keys of Hades and of Death."*

Our Lord Jesus also says in Isaiah 45: 2 and 3: *"I will go before you and make the crooked places straight: I will break in pieces the gates of bronze and cut the bars of iron. I will give you the treasures of darkness and hidden riches of secret places that you may know that I, the Lord, who call you by your name, am the God of Israel."*

We believe that these prophetic words transgress generations and thousands of years and also reaches to us that are currently living in the last days before Jesus' return.

Our Lord also says in Matthew 16 verses 18 to 19 that He will build His church on the revelation that He is *"the Christ, the Son of the living God"* and that the gates of Hades (the power of death) will not prevail against His church (the Body of Christ). Jesus says further that he will give us (His Bride) the "keys" of the kingdom of heaven. "Keys" spiritually denotes authority. He then assures us that whatever we bind on earth will be bound in heaven and whatever we loose on earth, will be loosed in heaven. We believe that among the keys of the Kingdom are those that unlock the regions of captivity.

20. CLOSING

We are living in the end times and it is not long before our beloved Jesus Christ will return. He wants to return to a Bride that is spotless and washed clean with His blood.

It is therefore important that we, as the Bride of Christ, should ensure that we have sufficient oil in our lamps³² when the Bridegroom returns meaning that we should prepare ourselves by allowing Jesus to wash our Bridal garments clean with His blood.

This means that we should start to deal with all known sin in our lives by repenting for our own sins and also those of our ancestors. We should also learn how to pray effectively into all known unhealed trauma and hurt in our lives. We have to allow the blood of the Lam to heal us.

Part and parcel of preparing ourselves for Jesus' return is inner healing, deliverance and setting the captives free.

We should, in general, live a holy life, sanctified by the blood of Jesus. Jesus says in His Word in 1 Peter 1: 16: *"Be holy, for I am holy"*.

Our prayer is that all the captives will be set free and that God's children will be able to live the life of victory here on earth that Paul had in mind when he said: *"For the earnest expectation of the creation eagerly waits for the revealing of the sons of God."* (Romans 8:19) Our interpretation of this verse is that the sons of God are those reborn believers in Jesus Christ who are filled by the Holy Spirit and knows their true identity and authority in Him. They are therefore able (by applying the blood of the Lamb) to walk and live in complete victory, fully restored to God's initial dream for mankind in the Garden of Eden.

PRAYER TO SET THE SPIRITUAL CAPTIVES (DSC’S) FREE

Lord Jesus, we bow before your Holy throne and ask that you will open our spiritual eyes and ears so that we may hear from you clearly Jesus.

Precious Holy Spirit, we now ask that you will show each one of us clearly in our spirits, whether there are spiritual captives of ourselves (DSC’s) that are being held as prisoners by Satan in any spiritual place under His reign.....

Lord Jesus, if it is your will, please show us the exact place or places where they are held and also on what basis those prisoners are being held captive there.....

Lord Jesus, also show us whether we may ask for their release in your name or whether the enemy still have any legal right to keep them there.....

In case there is still legal right to keep them there Lord we now ask that you will reveal to us in your perfect timing why they may still be kept in prison and what we should do to take the rights of the enemy over them away.....

Lord, in respect of those prisoners that may be released today, we ask that the gate keepers to those spiritual places now be bound in your name and that you send in your holy warring angels to search for and rescue and free each DSC of me, my spouse and my children that are being held captive in the spiritual place(s) that you have shown me.....

Lord Jesus, I ask that every demon or DSC in those spiritual places who wants to oppose your warring angels now be bound in the name of Jesus and I ask that all the captive DSC’s of myself and my family members be brought out of their prisons and into your marvellous light and therefore into a place where you reign Jesus.

To those DSC’s of myself, my spouse and my family members that may be in a spiritual place of death and that may feel as if they themselves are dead, I

declare in Jesus' name (as He did with Lazarus) "*come forth*" and "*be healed and restored back to life*".

Lord Jesus I now ask that you will wash each DSC of myself and my family members clean with your blood, that each curse over them will now be broken and that you will rip out each DSC that are in them. I also cast each demon that may be in them out in the name of Jesus and, should they have DID, I ask that all their parts will now integrate with the core.

Jesus I ask that you will dry each tear from the DSC's that have been freed by you and that you will heal them and restore them back to life.

I now ask Jesus that you will take all these DSC's with you and that you will give them eternal freedom in you (i.e. cancel them in the spirit).

Thank you Lord Jesus and precious Holy Spirit, to you all the praise, the honour and the glory, for ever and ever!

AMEN!
