

# IGNITED IN CHRIST - WARRIOR SCHOOL – 2019

## CORRESPONDENCE BASIS ONLY

Ignited in Christ heard the call of our Lord Jesus Christ to start a **Warrior School** that has already taken off (for the first time) in 2016.

### 1. AIM AND PURPOSE

The aim and purpose of the Warrior School is the following:

- To equip the Bride of Christ with sound teaching about important spiritual concepts, the spiritual realm as well as the strategies of the enemy that keep God's children in bondage;
- To assist believers in Jesus Christ in receiving personal inner healing and deliverance; and
- To train the Bride of Jesus Christ to become active warriors for Him in this end-time battle and who are also able to assist fellow believers to gain inner healing and to be set free from bondage of the enemy.

The Warrior School therefore has a **strong teaching basis** but also an **equally strong practical basis**, meaning that most of the concepts taught will also be exercised or demonstrated practically.

In essence, we aim to share with you what Jesus has taught us (through His Holy Spirit) over the years that we have been ministering inner healing and deliverance to believers.

## 2. NB - WARRIOR SCHOOL ONLY ON A CORRESPONDENCE BASIS

Due to the fact that we do not have a large enough premises from which to operate, we have decided to require of believers in Jesus Christ to work through all the modules of the Warrior School on a self-study basis (i.e. at their own pace and in the sanctity of their own homes).

Upon enrolling for the Warrior School (by sending Zelda an e-mail to [info@ignitedinchrist.org](mailto:info@ignitedinchrist.org)), we will then post the relevant DVD's and e-mail the course material to you.
